Mission Statement

For many years the residents of Braxfield Terrace have been organising, fund raising and running events for the residents and their families. This has grown in size and success over the years and has now reached a point where it is beyond the scope of one person to continue the success. To help us continue and to grow, a committee has been formed to aid and assist in the successful management of fund-raising, planning, communication and running of future events.

We've communicated events in the past via our Facebook community page (details on next page); however not every resident is either aware of this page or is a Facebook user—therefore we have decided to bring our work and plans to every resident in the form of monthly newsletter.

The newsletter will include updates of what's going-on in the community, fundraising, upcoming events, and financial details including the current balance in the bank.

(The above details will also be posted monthly on the Facebook page and website (events only.)

Committee *(formed 19 January 2023)*

Chairperson	Megan Denholm	Members	Tylar Denholm
Secretary	Paula White		Gayle Fallow
Treasurer	Julie Denholm		Phyl de la Maziere
Information Officer	David Teakel		Samantha McNiven

Community News

The committee met on 19th January 2023 and the following items were discussed:

Organisation

As stated on the front page, fund raising and event planning is now organised by a committee; if you'd like to be considered for membership of our group, please contact the secretary or any committee member in the first instance.

Communication

All events and activities will be advertised in the monthly newsletter, Braxfield Terrace Facebook group and the website. Newsletter will be published and delivered on, or around the first day of each month.

Fund Raising

Various fund raising events have been discussed by the committee; the front page of the newsletter will show details of the latest events. 4-6 weeks notice will be given for all events.

Volunteering

Currently we are looking for First Aiders; not only for assistance in our future events, but as general go-to people should anyone in the street require First Aid. If you would like to become a First Aider, we are looking into providing a recognised First Aid course, price to be paid by the individual.

Complaints Procedure

The committee have decided that all complaints should be submitted in writing or via email. The Facebook page is not the place to be raising, replying to, or resolving complaints. In the event of a complaint being received this will be forwarded to the committee for investigation/resolution and the complainant will be invited to the next committee meeting to discuss; alternatively the committee response will be communicated to the complainant.

If you'd like to contribute to the newsletter or get involved with events or fundraising, please feel free to drop a note through any of the committee member's letterboxes; speak to us in person, or if you'd rather, send us a message or an email.

Suggestions—We'd love to hear from you!

We welcome any suggestions for the committee or group; if you have any please write these below (or on another sheet) and return to: Your nearest committee member OR No. 2 Braxfield Terrace.

If you do not wish to receive the newsletter, please write your family name your house number in the box provided.
